Speaker of the House in the presence was squelched by the United States of the the two houses, sitting in joint Government, just as Wilson will be assembly, to "open and publish" the squelched in this case. vote, after which the person having the A fine figure truly this man Wilson highest vote is to be "declared" elected would cut before the civilized world as Governor. The scheme now hatching a barricader against his successor in at Charleston is to refuse to declare the office after having refused certificates result on the pretext of Fleming's con- on the face of the returns to two Repubtest, and thus make it possible for Gov- lican Congressmen-elect in this State ernor Wilson to hold over after the 4th while issuing promptly to a Democrat of March next and keep the seat warm whose election was being notoriously

The revolutionists profess to find in | There was no deader politician in sections 2nd and 3d of Article 7th, of the Rhode Island after the Government of

readers a careful perusal of said sections.

Section 2. An election for Governor, State Superintendent of Free Schools, Auditor, Treasurer and Attorney General shall be held at such times and places as may be prescribed in this Constitution or by general law.

Section 3. The returns of every election for the above named offices shall be sealed up and transmitted by the returning officers to the Secretary of State, directed to the Speaker of the House of Delegates, who shall, immediately after the organization of the House, and before proceeding to business, open and publish the same, in the presence of a majority of each house of the Legislature, which shall for that purpose assemble in the hall of the House of Delegates, which shall for that purpose assemble in the hall of the House of Delegates, which shall for that purpose assemble in the hall of the House of Delegates, the will of the people.

It needs no inspiration to prophesy the fate of all the revolutionists at Charleston who shall lend themselves to this crime. They will be held responsible by the sober second thought of all the people for participation in a plot to endanger the peace, good name and prosperity of this State, and for all the obstruction to public business and waste of the means of the people that their folly may entail upon the State.
